If we take more than 10 business days to do this (or 20 business days for a new account), we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

METHOD USED TO DETERMINE THE BALANCE ON WHICH THE INTEREST CHARGE WILL BE COMPUTED

Consumer Revolving Lines of Credit – We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances and fees and subtract any unpaid interest charges and any payments or credits. This gives us the daily balance.

The Annual Percentage Rate and Daily Periodic Rate may vary.
